

YOU MAY QUALIFY FOR FREE EMPLOYEE TRAINING

State funds are available through Louisiana's Incumbent Worker Training Program. Enhance your employees' skills and strengthen your company's future – all at no cost to you.

At Alliance Safety Council, we believe that developing the skills of your employees means a stronger workforce and business. As a Louisiana Workforce Commission-approved provider, we offer training options for both IWTP and SBET.

You can apply the funds you receive for training purposes to a variety of Alliance Safety Council courses.

IWTP Employer Eligibility Criteria

- Must be a Louisiana-based business with at least 15 employees to be trained
- Operating for at least 3 years in Louisiana
- Contributing to and in full compliance with state unemployment insurance tax laws

SBET Employer Eligibility Criteria

- Must be a Louisiana-based business with 50 or fewer employees
- Operating for at least 3 years in Louisiana
- Contributing to and in full compliance with state unemployment insurance tax laws

SBET training costs cannot exceed \$3,000 per trainee, per state fiscal year.

Find out if your business qualifies for a safety training grant today.
